By Kathleen Piché, L.C.S.W., Public Affairs Director

On Thursday, June 5, 2014, the Village Family Services hosted “An Evening To Inspire,” a night of celebration and support for the agency. Known as “Southern California’s leading bilingual family wellness agency,” the LACDMH provider hosted a reception and silent auction to raise awareness and funding for the agency, and to acknowledge the ABC Family television show “The Fosters,” which tells the story of a family with multiple foster and biological children with a lesbian couple as parents. The show creators, writers and actors were present to accept an award on the show’s behalf.

The gala was held at the Four Seasons Hotel in Beverly Hills. Cesar Biggeri, the Village Board President, welcomed the crowd and Michelle Valles, NBC4 and Hugo Villa, co-owner of the Village spoke about services available and lives that have been changed at the Village.
